Position Description

Position Title  Facilities Manager
Salary Level/Grade  M1

Position Overview
The Facilities Manager manages the day-to-day operation of the Health District’s facilities, assisting with a wide variety of duties ranging from facility maintenance management to contracting for equipment purchases, building maintenance and construction services. Supports all Health District programs through the provision of facilities, fleet and equipment needed for ongoing operation. Works with staff to procure and utilize proper equipment and services for achieving objectives and providing services to clients.

Supervision and Fiscal Responsibilities
Responsible for managing the day-to-day activities of a team. Establish tasks for the team and receives guidance and oversight from manager. Typically manage paraprofessional, clerical/support, or general worker classified employees. Develop and monitor the annual facility maintenance budget (totaling approximately $250,000) and approve program expenditures within the approved budget.

Examples of Duties
- Oversee bidding, negotiating, and project management activities for all facilities and maintenance contracts or renovation projects, within allotted budget, ensuring compliance with applicable codes, regulations, architectural standards, and contractual requirements.
- Perform or facilitates inspections of all parts of the organization’s grounds and facilities.
- Conduct regular jobsite visits to oversee progress and quality of construction projects, track and document project activities, oversee contractor activities, and ensure quality control.
- Determine what will be needed for program changes and new spaces, including furniture, equipment, and facility upgrades, recommend maintenance, mechanical, electrical, and facility design modifications, and research and estimate costs of facilities projects including costs for labor, equipment, and materials.
- Provide recommendations for purchases of new equipment, schedule and assist with delivery, assembly and installation of furniture and equipment.
- Manage leases with tenants and coordinate with building occupants to ensure their facility related needs are considered and addressed.
- Identify and resolve operational issues within established guidelines; escalate issues as needed.
- Assist with Board of Directors election including management of third-party service contracts.
- Manage all facilities personnel, and maintain day-to-day operations of facilities, such as delegating or completing maintenance orders.
- Manage the Health District vehicle fleet including scheduling maintenance and overseeing staff utilization procedures, and create reports on maintenance, repairs, safety, and other occurrences for relevant staff.
- Maintain a recordkeeping system documenting activities such as facility use, schedules, files of warranties, records, licenses, inspections, service agreements, contracts for various pieces of equipment, any other information required by internal policy or by local, state, and federal agencies.
Health District of Northern Larimer County
