MISSION

The Mission of the Health District of Northern Larimer County is to enhance the health of our community.

VISION

- District residents will live long and well.
- Our community will excel in health assessment, access, promotion and policy development.
  - Our practice of assessment will enable individuals and organizations to make informed decisions regarding health practices.
  - All Health District residents will have timely access to basic health services.
  - Our community will embrace the promotion of responsible, healthy lifestyles, detection of treatable disease, and the prevention of injury, disability and early death.
  - Citizens and leaders will be engaged in the creation and implementation of ongoing systems and health policy development at local, state, and national levels.
  - Like-minded communities across the country will emulate our successes.

STRATEGY

The Health District will take a leadership role to:
- Provide exceptional health services that address unmet needs and opportunities in our community,
- Systematically assess the health of our community, noting areas of highest priority for improvement,
- Facilitate community-wide planning and implementation of comprehensive programs,
- Educate the community and individuals about health issues,
- Use Health District funds and resources to leverage other funds and resources for prioritized projects, and avoid unnecessary duplication of services,
- Promote health policy and system improvements at the local, state and national level,
- Continuously evaluate its programs and services for quality, value, and impact on the health of the community,
- Share our approaches, strategies, and results, and
- Oversee and maintain the agreements between Poudre Valley Health System, University of Colorado Health and the Health District on behalf of the community.

VALUES

- Dignity and respect for all people
- Emphasis on innovation, prevention and education
- Shared responsibility and focused collaborative action to improve health
- Information-driven and evidence-based decision making
- Fiscal responsibility/stewardship
- An informed community makes better decisions concerning health
