## ■ MISSION ■

**The Mission of the Health District of Northern Larimer County is to improve our community's health status.**

## ■ VISION ■

- District residents will live long and well.
- Our community will excel in health assessment, access, promotion and policy development.
  - Our practice of assessment will enable individuals and organizations to make informed decisions regarding health practices.
  - All citizens will have access to basic health services.
  - The community will champion the prevention of disability and early death and the promotion of health through detection of treatable disease, prevention of injury and the promotion of responsible, healthy lifestyles.
  - Citizens and leaders together will be engaged in ongoing systems and health policy development at local, state, and national levels.
  - Like-minded communities across the country will emulate our successes.

## ■ STRATEGY ■

The Health District will establish, maintain, and/or operate health service facilities and work collaboratively to increase the community's capacity for health promotion and development.

The Health District will take a leadership role to:

- Periodically assess the health status of our community with relation to established baseline indicators,
- Identify those health status indicators of highest priority for improvement,
- Establish and maintain direct services relating to prioritized health needs,
- Facilitate community-wide planning and implementation to develop comprehensive programs that address prioritized health needs,
- Use Health District funds and resources to leverage other funds and resources for prioritized projects,
- Promote health policy and system improvements at the local, state, and national level,
- Continuously evaluate its programs for quality, value, and impact on the health status of the community,
- Share our approaches, strategies, and results,
- Make decisions on the basis of periodic community health assessments, program evaluations, and other indicators as to the best use of Health District resources to impact community health and avoid unnecessary gaps or duplication in services, and
- Oversee and maintain the Hospital Operating Lease Agreement (HOLA) and other agreements between the Poudre Valley Health System and the Health District on behalf of the community.
