Health District of Northern Larimer County
PRN Nurse

- Ability to work with, and be sensitive to the needs of, clients with chronic physical and/or mental disabilities.

- Ability to maintain professional, positive, productive relationships.

- Reliable, and on-time attendance is an essential function of this position.

- **Special Consideration will be given for:**
  - Bilingual skills written and oral (English/Spanish).
  - Experience in preventive health services.
  - Expertise and knowledge specific to cardiovascular disease prevention.
  - Expertise in motivational interviewing.

**Working Environment/Physical Requirements**

- The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.
  - Must have close visual acuity to perform the finger stick procedure.
  - Must have the ability to communicate information and ideas in speaking so others will understand.
  - Must have above average fine motor skills and dexterity while handing and gripping instruments.
  - Must be able to keep the hand and arm steady while moving or while in one position.
  - Employee is occasionally exposed to blood or other body fluids, fumes or airborne particles and toxic or caustic chemicals.
  - Must have ability to lift and carry equipment, load equipment in and out of vehicle to screening locations.
Infection Control Requirements

- Healthcare workers with blood borne pathogen status are required to comply with infection control policies including immunity to Measles, Rubella, Mumps, Varicella, and Hep B. Proof of immunization record is required. A recent (within 12 months) Tuberculosis skin or blood test and an annual influenza vaccination are required and can be provided by the Health District.

- COVID-19 vaccination is mandatory for all covered employees. Employees must either (1) verify that they have been fully vaccinated; or (2) obtain an approved exemption as an accommodation.
Health District of Northern Larimer County
PRN Nurse

REPORTS TO    Clinical Nurse Manager

GENERAL DUTIES/PURPOSE
Provides nursing services in cholesterol, blood pressure and glucose testing clinics.

SPECIFIC DUTIES
1) Serves as clinical nurse at heart health screening events: reviews health history, performs cholesterol and diabetes screening procedure and blood pressure reading. Provides health education/counseling and provides follow-up recommendations at cholesterol clinics, using established guidelines and clinical protocols.

2) If bilingual, may conduct outreach and promotional activities in Latinx communities.

3) Follows recommended measures to avoid exposure to and transmission of COVID virus, correctly using personal protective equipment.

4) Participates in ongoing training/competency program.

5) Performs other duties as assigned.

The above job definition information has been designed to indicate the general nature and level of work performed by employees within this classification. It is not designed to contain or be interpreted as a comprehensive inventory of all duties, responsibilities, and qualifications required of employees assigned to this job. Job duties and responsibilities are subject to change based on changing business needs and conditions.

Equal Opportunity Employer: The Health District is committed to creating a diverse environment and is proud to be an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, ethnic or national origin, ancestry, age, sex, pregnancy, disability, genetic information, veteran status, gender, marital status, sexual orientation, gender identity or expression, religion (creed), political beliefs, or any other characteristic protected by federal, state or local laws.
